

De Engels Enterprise

PUT TOGETHER THE RIGHT INGREDIENTS & GET A HEAD START

De Engels Enterprise enables business to do business better in English to enrich their business offering. What DEE has to offer:

Mystery Shopping - we want to enhance the experience that **English Speaking** shoppers have with your business.

Do you know how satisfied your customers are?

We ensure you understand what makes the magic happen time and time again to increase your sales.

Entrepreneurial Think Tanks - ideas inspiring for your business, we expose you to other likeminded businesses whilst **enhancing your business skills**.

Do you know your potential?

Corporate Strategic Think Tanks - inspiring employees for your future strategic development, we explore your potential whilst enhancing your **employees' business skills**.

Do you know what they know, it could make all the difference?

SOS for your business - Seeking Opportunity Sales, we explore all relevant **sales opportunities** for your business either individually, or in small business groups.

Do you want more from your business?

Don't have your head in the clouds when it comes to language, English is important if you want to trade worldwide.

De Engels Enterprise encourages businesses and entrepreneurs to work together to form lasting relationships.

We enable people to recognise and act upon business opportunities that arise
